

The Plastico logo is a black oval containing the word "Plastico" in white. The letter "i" in "Plastico" has a small crown above it.

Plastico

www.plastico.co.uk

A close-up photograph of a champagne flute glass being filled with champagne. The liquid is bubbling and creating a frothy head. In the background, several other similar glasses are visible, some containing champagne, arranged on a dark surface. The lighting is dramatic, highlighting the clarity of the glass and the effervescence of the drink.

**Introducing The New
Clarity™ Champagne Flute**

CE marked 125ml to line
Available in Polycarbonate and Polystyrene

The New Clarity™ Champagne Flute

Polycarbonate • Polystyrene

CE marked • Dishwasher Safe • Custom Printing

We are pleased to introduce our new champagne flute to our reusable range of glassware.

Manufactured in virtually unbreakable polycarbonate or reusable polystyrene, it is ideal for the hospitality industry, outdoor entertaining and consumer use.

The flute is CE marked and lined at 125ml.

Dishwasher safe up to 100 washes for polystyrene and up to 300 washes for polycarbonate.

Custom printing is available, details on request.
