The New Range of Polycarbonate Glassware

- Virtually Unbreakable •
- Heavy-weight • Durable •

**Celebrity** is a new range of contemporary polycarbonate glassware from Plastico. High quality and crystal clear the tumblers are available in all popular sizes from 9oz to 20oz, the stemmed wine glass is 250ml to line.

Featuring an attractive fluted design the tumblers are scratch resistant, durable and unbreakable, given normal use.

**Celebrity** glasses are ideal for consumer use or catering, particularly where safety is a prime consideration. Many medical experts and the Police are also advocating the use of polycarbonate tumblers as they eliminate the risk of breakage and injury.

Custom printing and retail packs are available, details on request.
