The New Range of Cocktail Accessories

The New Range of Cocktail Accessories

Contemporary & Stylish

Our new range of contemporary cocktail accessories is ideal for hotels, bars and restaurants looking to add the finishing touches to a wide range of cocktails and long drinks. The range includes different types of stirrers and picks.

The swirl pick and prism pick can also be used for buffet food to give a sophisticated look. The range is manufactured from food-grade polystyrene.

The standard range is available in clear and black, but other mixed colours are available subject to a minimum quantity order.

All products are packed in 1000's, making them easy to store behind any bar or counter.

Custom printing is available on the drinks stirrer, details on request.
