# Elegant presentation...

..with our metalised plastic cutlery.

## The metalised cutlery range

Elegant metalised plastic cutlery that offers a unique high quality alternative to disposable and metal cutlery.

Creates an elegant presentation without the high cost of washing, replacing and transporting metal cutlery.

The range includes: knife, fork, dessert spoon, coffee spoon & snack fork.

Other items in this range are available upon request but are subject to a minimum quantity order.

Retail Packaging is available, please call to learn more.

- Stylish & elegant • 100% food-grade material
